Virtual Workshop: Genome Annotation

May 27-29, 2025
10:00 am - 2:00 pm EST

Unlock the secrets of genome annotation with this comprehensive, hands-on virtual workshop! Whether you're new to bioinformatics or want to refine your skills, this workshop will guide you through Linux, genome assembly, annotation with various types of evidence, and evaluation.

💰 Cost: $500 ($400 for UConn affiliates)
📍 Where: Live Sessions via Zoom | Recordings distributed
🔗 Register now: https://bioinformatics.uconn.edu/cbc-workshops/
