

Virtual Workshop: Genome Assembly

Sept. 22-24, 2026
10:00 am - 2:00 pm EST

Unlock the power of genome assembly in this hands-on workshop! Whether you're a faculty member, researcher, or student, this workshop will guide you through sequencing strategies, short and long-read assembly, quality control, and more—all from the comfort of your own laptop.

Cost: \$600 (\$500 for UConn affiliates)

Where: Live Sessions via MS Teams | Recordings distributed

Register now: <https://bioinformatics.uconn.edu/cbc-workshops/>
